# Prep Guide

Make sure hair and makeup are mostly done before arriving to the photo studio. Mirrors and restrooms are available at the photo studio for last minute touch-ups and details.

If you would like, bring accessories/small props to include in your photos, especially items that convey your style/personality. Items and props may include wardrobe items, jewelry, etc.

Avoid wearing busy patterns on your clothing. Solid colors and simple patterns work best.

Be conscious of wrinkled clothing. You may arrive early and change into your photo-ready outfit in the private restroom. Feel free to bring multiple outfits if you would like.

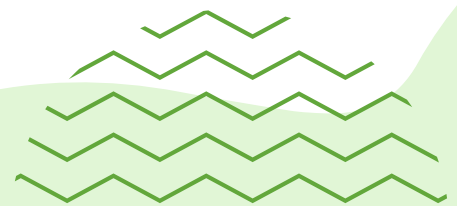

We will capture several "head-to-toe" photos, be sure to wear appropriate shoes and attire that will be visible on camera.

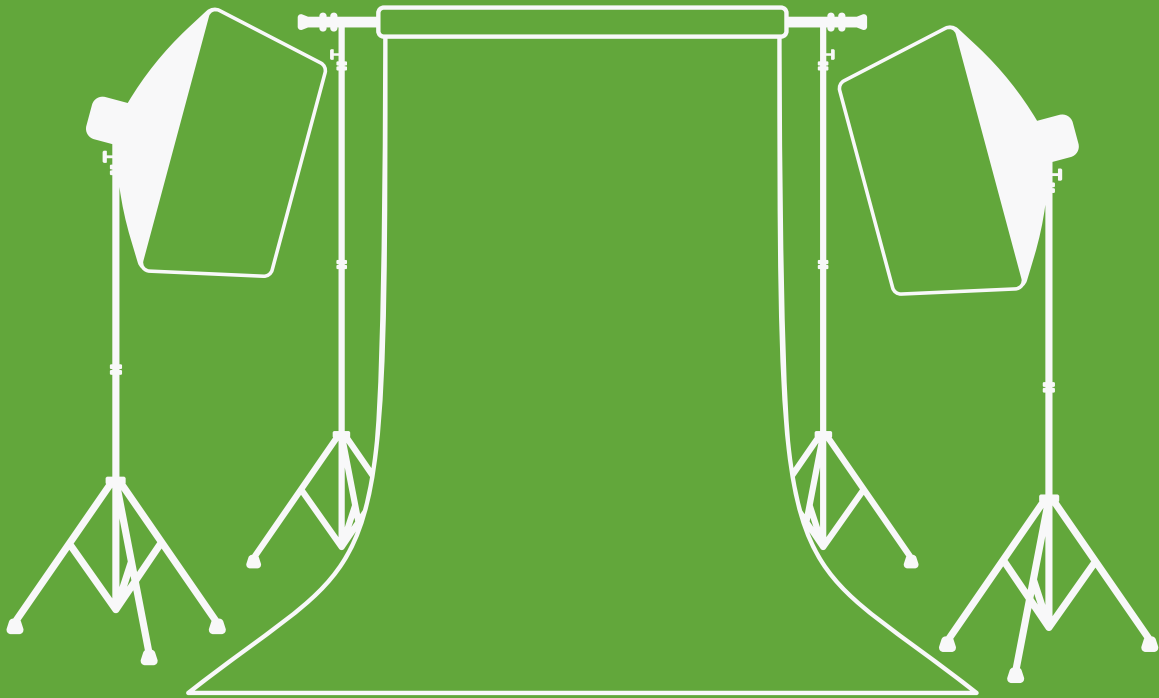

Relax and have fun! This will be a fun, easy process. We appreciate the opportunity to serve you!
